

Participant Record Book Updates 2016

Dear Participants and Award Leaders,

There are some updates to our Record Book that clarify the amount of time and weeks needed to be spent on each section of the Award in order for it to qualify. Please use the information below as the correction to what currently is in our record book. Also for future quick reference you can visit us at dukeofed.org/resources for more tips, updates and resources to help you along the way of completing your Award.

Thank you,

The Duke of Ed Team.

BRONZE LEVEL

In our Bronze Record book from pages 34 - 40 is detailed information and logging sheets for each section of the Award. Throughout these pages we make reference to the amount of weeks and hours participants must dedicate towards completing those sections. There are some omissions and errors, so please use the following as an update to what is currently stated in the Bronze Participant Record Book. The following information clarifies all of the references made to weeks and hours found on pages: 33,34,36, 37,39,

In order to successfully complete your Bronze Award, participants must complete a minimum of 13 weeks and 13 consistent hours in the Service, Skill and Physical Recreation sections of the Award. Participants **must** select one of the above sections to be their **Bronze Major** where they will spend an additional 13 weeks and 13 consistent hours to successfully complete that section. Therefore participants will dedicate a total of 26 weeks and 26 consistent hours to complete one section of their Award. This section can either be Service, Skill or Physical Recreation.
