

## How to write your Adventurous Journey Report

### First, write about your Practice Journey

- ◆ Where did you go? When did you go?
- ◆ What did you do?
- ◆ How did this prepare you for the Qualifying Journey?
- ◆ Did you complete your preliminary training?

(Length 1-2 paragraphs)

### Next, write about your Qualifying Journey

- ◆ Where did you go? When did you go?
- ◆ How did you get there?
- ◆ Who went with you? Were they also working towards an Award?
- ◆ What did you do while you were on the trip?
- ◆ How far did you travel (under your own power)?
- ◆ What did you learn? What did you experience?
- ◆ What was most challenging about this journey?
- ◆ What would you do differently next time?

Recommended: 1-2 pages (Br), 2-3 pages (Si), 3-4 pages (G)

If you did an **Exploration** be sure to add:

- ◆ A summary of your pre-trip research (how did you learn about your topic before the trip?)
- ◆ A description of your study (how did you explore your topic while on the trip?)
- ◆ The findings of your study (what did you discover as a result of your study?)

### Make sure you include:

- ◆ Personal equipment list (what did you bring?)
- ◆ Group Equipment List (what did you share with others?)
- ◆ First-Aid kit list (what was in the first-aid kit?)
- ◆ A Route Map (indicating your route, campsites, distance travelled)
- ◆ Trip Menu (what did you eat?)

These materials should be the Participants own and not ones provided to them. Each Participant must complete their own report.

The format for the report is flexible! Include pictures or make a PowerPoint. Flex your creativity!

Make sure your Online Record Book is complete and you have uploaded BOTH your Adventurous Journey Report and your Assessors Reports.
