

Conducting survey with bystanders during our PJ and QJ, to gather insights into the impact of community art projects.

1. General Impressions:

- ✓ What are your thoughts on the art installations in this area?
- ✓ How does public art contribute to the atmosphere of the community?

2. Personal Connection:

- ✓ Do you feel a personal connection to any specific artwork in the area?
- ✓ How does public art influence your perception of the community?

3. Community Impact:

- ✓ In your opinion, how do community art projects impact the neighborhood?
- ✓ Have you noticed any changes in the community due to these art installations?

4. Awareness and Engagement:

- ✓ Were you aware of these art installations before today?
- ✓ Do you actively engage with or participate in community art events?

5. Preferences:

- ✓ What types of art installations do you prefer in public spaces?
- ✓ Are you more likely to visit spaces that have public art available?

6. Suggestions:

- ✓ Do you have any suggestions for improving or expanding community art projects?
- ✓ How would you like to be involved in community art projects in the future?
