

Adventurous Journey Group Assessor Report

The Adventurous Journey (AJ) Group Assessor Report allows an Adventurous Journey Supervisor and/or Assessor to sign-off on the team’s Practice and Qualifying Journey once, instead of completing it for each individual participant through the ORB.

Please complete the following steps:	
1. Pre-report Checklist for AJ Supervisors/Assessors:	<ul style="list-style-type: none"> The AJ Supervisor completes the Practice Journey, and the AJ Assessor completes the Qualifying Journey. One adult may be both the Supervisor and Assessor. Each participant will need to upload one assessment for their Practice Journey and one for their Qualifying Journey.
2. Complete Group Assessor Report:	Fill out the Group Assessor Report below. Please note that Adventurous Journey Supervisors/Assessors that complete this form and also receive a digital request from a participant to fill out their assessment should re-connect with the participant to remind them to upload the Assessment you have provided on their ORB account.
3. Upload form to the Online Record Book:	Once this document is completed by the AJ Supervisor/Assessor, please send it to each participant so they can all upload a copy to their ORB (participant can upload the template on the “I already have my assessment” section). Follow the sequence of pictures below which are from a participant point of view.
	Figure 1: Participants can go into the PJ or QJ section on the ORB to click on report, and then send for approval.
	

	<p>Figure 2: Participants will get this pop-up, and can then click on "I already have my assessment".</p>	<p>Figure 3: Participants will get another pop-up where they can attach the Group Assessor Report and then send for approval.</p>

Assessor's Report: Please provide comments on the improvement, challenge and effort of the group throughout the Journey (if this is an assessment for the Practice Journey, please verify if the group is ready to start their Qualifying Journey).

Overall, the group worked well together throughout the Practice Journey, had fun and communicated with team members and myself throughout. They encountered a few challenges throughout, as noted in their debrief. Mainly they didn't realize how hard the physical challenge would be, how hungry they would be and how long it would take to make a meal.

Everyone took the initiative, maintained a fairly positive attitude and contributed to ensure the group was successful in achieving their goal. The team was successfully able to complete their PJ goal and learned a lot on the way.

Between now and their QJ they will each practice cycling at least 2 times each week to ensure they are physically ready for their QJ. They will also meet up online the night before the QJ to go through what everyone needs to bring to ensure nothing is forgotten. With this in mind, the team is ready for their QJ.

Great work team on completing your PJ, I'm looking forward to seeing how you will overcome the challenges on your QJ and succeed as a team!

Assessor's Report: Please provide comments on the improvement, challenge and effort of the group throughout the Journey (if this is an assessment for the Practice Journey, please verify if the group is ready to start their Qualifying Journey).

The team did an excellent job on their QJ and successfully completed their goal! During their debrief they were all excited to contribute and noted some fun and memorable stories. They were also all keen to share the challenges they overcame (bad weather, hanger and getting a

little lost) and what they learnt along the way. They worked well together by communicating throughout, speaking up about personal needs and supporting one another when needed. I was particularly impressed by the work and commitment they had to improving their endurance between their PJ and QJ. All of them mentioned that the work paid off and made the QJ biking route much easier to achieve.

They shared responsibilities throughout their QJ ensuring everyone contributed equally and managed to keep a great attitude throughout. They made some delicious meals, planned thoroughly and also put together an amazing photo journal of the birds they found along their route. Great work team! I can't wait to see what you do for your next Adventurous Journey!
