

Adventurous Journey Group Assessor Report

The Adventurous Journey (AJ) Group Assessor Report allows an Adventurous Journey Supervisor and/or Assessor to sign-off on the team’s Practice and Qualifying Journey once, instead of completing it for each individual participant through the ORB.

Please complete the following steps:	
1. Pre-report Checklist for AJ Supervisors/Assessors:	<ul style="list-style-type: none"> The AJ Supervisor completes the Practice Journey, and the AJ Assessor completes the Qualifying Journey. One adult may be both the Supervisor and Assessor. Each participant will need to upload one assessment for their Practice Journey and one for their Qualifying Journey.
2. Complete Group Assessor Report:	Fill out the Group Assessor Report below. Please note that Adventurous Journey Supervisors/Assessors that complete this form and also receive a digital request from a participant to fill out their assessment should re-connect with the participant to remind them to upload the Assessment you have provided on their ORB account.
3. Upload form to the Online Record Book:	<p>Once this document is completed by the AJ Supervisor/Assessor, please send it to each participant so they can all upload a copy to their ORB (participant can upload the template on the “I already have my assessment” section). Follow the sequence of pictures below which are from a participant point of view.</p> <p style="background-color: #e1f5fe; padding: 5px;">Figure 1: Participants can go into the PJ or QJ section on the ORB to click on report, and then send for approval.</p> <div style="border: 1px solid #ccc; padding: 10px; margin-top: 10px;"> </div>

Assessor's Report: Please provide comments on the improvement, challenge and effort of the group throughout the Journey (if this is an assessment for the Practice Journey, please verify if the group is ready to start their Qualifying Journey).

Throughout the Practice Journey, the team did a great job working together towards their goal. They discussed route changes when construction closed sidewalks along the route chosen and came to a decision together. They needed very little input from the adults on the journey, working together to figure out their next steps.

This team worked as one to gather evidence. They divided roles and would swap them through the day, ensuring everyone got a turn as either the photographer, note taker, or chatting with staff at each location visited.

This team is ready for their Qualifying Journey. They worked well together and achieved their goal with ease.

<p>Assessor's Report: Please provide comments on the improvement, challenge and effort of the group throughout the Journey (if this is an assessment for the Practice Journey, please verify if the group is ready to start their Qualifying Journey).</p> <p>The team took on their Qualifying Journey and exceeded their own expectations. This team works so well together, it's a wonder to see. They communicated well, giving everyone a chance to be heard when a decision needed to be made. They exchanged roles throughout the two days, ensuring everyone got to experience each one.</p> <p>The team encountered some rain on day two but persevered. They had all come prepared with rain clothes and waterproof shoes, so they continued without complaint.</p> <p>As a team, I feel they truly got everything they could from this urban journey. They planned and executed it together, with only a small amount of input from their Award Leader. After discussing their PJ, they made small changes to the chose route, accounting for that construction but did this together and without prompting.</p> <p>Amazing job team, I hope you keep it up at the next Award Level!</p>
